

Congresswoman Gabrielle Giffords and Pima County Public Library
present

Solar Power 101

A Community Education Series on Solar Energy

The Basics of Solar Electric and Hot Water

Southwestern Solar will give a detailed overview of how solar energy works, what it costs, and who should go solar.

TEP Rebates and Project Updates

Tucson Electric Power will discuss the rebates they offer to customers and how the application process works along with what they've done to promote solar energy and develop future projects.

Energy Efficiency Tips and Resources

Congresswoman Giffords' staff will present information to save on energy costs and resources to help cut down on energy use around the home.

Tuesday, October 19, 2010, 2-4 p.m.

Joyner-Green Valley Branch Library

601 N. La Canada Drive, Green Valley
